## 3 Little Dean House Winton Hill

Stockbridge, Stockbridge

Presenting this exquisite 2-bedroom, split-level apartment boasting over 1100 square feet of living space, this ground floor residence within a converted Victorian country house offers elegance, convenience, and tranquillity.

Upon entering, you are greeted by an entrance hall leading to a spacious and light living room which overlooks the meticulously maintained communal gardens totalling approximately 4 acres. On the ground floor you will also find a jack and jill en-suite bathroom which can be accessed from the hall but also conveniently has another door offering access from the spacious double bedroom.

To the lower ground floor, you will discover a large kitchen breakfast room with underfloor heating enhancing the sense of luxury. You will also find another generously sized bedroom with an ensuite shower room.

In addition to the apartment's own private spaces, residents can indulge in the beauty of the landscaped communal gardens. The property has one allocated car parking space but there is further parking on site.

Situated in a sought-after location, this apartment benefits from its close proximity to the vibrant Stockbridge High Street. This bustling hub offers an array of boutiques, restaurants, and cafes, as well as amenities such as a supermarket and schools.
